Sir,

Re M.P. 12-75-16 S. 5th M.

I beg to acknowledge your letter of the 28th ultimo, which has been transmitted here by the Agent of Dominion Lands at Peace River with reference to the transfer of your homestead, above mentioned, to a quarter-section of more suitable Dominion Lands elsewhere, subject also to the transfer of your seed grain indebtedness.

In reply I beg to say that if you intend to abandon the land you should have the enclosed form of Declaration of Abandonment properly filled in and executed before a Justice of the Peace, Notary Public or Commissioner, and forward the document to the aforesaid Agent for acceptance and transmission here.

Enclosure.

In accepting your abandonment the Department is prepared to grant you authority to take up another homestead subject to the transfer thereto of your seed grain indebtedness. I am to state, however, that it will not be possible under the regulations to credit you with the duties performed on your present homestead.

DECLARATION OF ABANDONMENT.

In the Matter of the North East quarter of Section Twelve
 Township 75 Range 16 West of the 15th Meridian.

I, Edgar Ernest Wood
 of Emilda Province of Alberta
 do solemnly declare:—

That I made entry for the above-mentioned land as a Homestead
 at the Dominion Lands Office at Grainville
 the ninth day of May 1916,
 and I now ask to have entry cancelled for the following reasons, namely:—

(Here state reasons.) (1) For wet for agricultural purposes, & too heavily timbered
where dry.

(Here state whether
 you abandon the
 land uncondition-
 ally, or in favour of
 a relative or to
 locate scrip. Full
 particulars should
 be given.)

(2) Unconditionally.

If the above entry is cancelled, abandonment will be considered as complete and the land will be disposed of by
 Department accordingly.

(Here state nature
 and extent of use,
 and, if not on
 the land, where
 performed.)

(3) I have resided within half mile of the quarter since entry,
partly on rented farm, & partly on brother's homestead,
following agricultural pursuits.

(Here describe the im-
 proved land, and
 state whether it is
 suitable for
 agricultural purposes,
 and, if not, for what
 other use.)

I have used quarter for pasturing cattle, but have not
considered land of sufficient value to warrant expense
of improvements. Broke about 5 acres and cropped, but
too wet to raise anything
Yes.

(Here state, if you
 are a tenant, the
 name of the landlord,
 and the nature of the
 tenancy.)

That I have not received, directly or indirectly, nor have I been promised, nor do I expect
 to receive any consideration of any kind for allowing said entry to be cancelled.
 And I make this solemn declaration conscientiously believing it to be true, and knowing that
 it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Peace River, Alberta, February 10th¹⁹ 21.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the **21st February, 1921**, the **North East** 1/4 of Section **12** Township **75** Range **16** West of the **5th** Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows: -

- By a settler as defined by the Soldiers' Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier's Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

- For ordinary homestead entry by returned soldiers who have served Overseas and who produce:
- a. Evidence of honorable discharge.
 - b. If not, discharge of evidence of being incapacitated and of honorable military record.
- For soldier grant entry by any "other" as defined by the Soldier Settlement Act upon production of:
- 1. Attestation Certificate, Ordination Certificate, or a telegram or postal letter from the Soldier Settlement Board establishing eligibility.

Paragraph (c) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:

"Scout" - "means any person who has served in the cavalry, infantry, expeditionary force, or other branch of the regular army, or who was engaged in military service during the present war in the regular army, or in the United States volunteer army, or in the United States National Guard, or in the United States militia, or in the United States Marine Corps, or who being a British subject, resident in the United States, has been engaged in the service of the United States in either the naval or military forces of any of His Majesty's Arms of the Imperial war, and who has not the honors with an honorable record, or who has been honorably discharged, and the widow of any such person who died on active service."

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence as he will receive no sworn declaration of entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (made by proxy) may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent or Sub-Agent. No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10.00. According to evidence on file in this office there are improvements upon the land stated to be worth \$ **Five acres cultivated,**

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of its valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

The following indebtedness is charged against this land, \$ 00000. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

R. CRICKSHANKS

Sub-Agent or Postmaster at **Enilda, Alta.**

Agent Dominon Lands.

PLEASE POST IN A CONSPICUOUS PLACE.

[OVER]

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows :—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner heretofore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of Edgar E. Wood
N.E. 12-75-16-W5

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1917 seed grain amounting to \$88.75 was advanced to Edgar E. Wood on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 88.75	\$ 155.15	\$ 243.90

The N.E. 12-75-16-W5 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1917. He later abandoned his homestead and his entry was cancelled on the 10th of February 1921. The land was re-entered upon by a Mr. Alfred Moen and according to Abstract of Title the land now stands in his name clear of any encumbrance.

As the lien was never registered against the land and there is no further security, it is recommended that the indebtedness be cancelled.

Gentlemen,

N.E. 1/4 36-70-7-W.6th M.
Homestead - Adolph Hugel.

Referring to your letter of the 19th instant, I beg to say that it has been decided that a sale may be made to the holder of the above land at the rate of \$1.00 per acre, exhausting his homestead right, this permission being granted in view of the fact that he finds it impossible to submit evidence of naturalization owing to the difficulty of obtaining the necessary details as to his birth in Switzerland.

The amount may be paid in cash or by a certified cheque to the Agent of Dominion Lands at Grande Prairie, or if Mr. Hugel so desires, he may pay one-fourth in cash within sixty days and the balance in three equal annual instalments with interest at six per cent on each instalment until it becomes due. After the instalment falls due, if it remains unpaid, the rate of interest will be seven per cent.

Your obedient servant,

Secretary.

Dear Sirs:

Re: Mrs. Clarah Ethel Hugel

I am trying to get information to prove the
age of Mrs. Clarah Ethel Hugel. Her husband, Alvin Hugel
filed on the N.E. 36 - 20 - 7 - 10th, in June, 1921.

Possibly your records may show something
as to Mrs. Hugel's age at that time.

Mr. Hugel informs me that he had sworn some
affidavit in connection with getting his homestead patent, and
he also had to make out a Will.

If your records show anything about Mrs. Hugel
or her age, I wish you would either send me the information, or
send it to the Department of National Health & Welfare,
201 Mercantile Building, 101st - 103rd Street, Edmonton, Alberta.

Memorandum:

Mr. Clidden,
Land Patents Branch.

Lands in Westview and Glade
Leases.

When the Soldier Settlement Board commenced operations in 1916 under the Soldier Settlement Act an Order-in-Council was passed (10th October, 1916) authorizing the setting apart of any particularly valuable Dominion Lands which might become available for the purposes of the Board.

From the lands placed at the disposal of the Board under the terms of this Order-in-Council were certain tracts withdrawn from the Westview Ranch and Glade lease in connection with which the Board paid certain moneys to the lessees to obtain the relinquishment of their rights so that the lands might be made available immediately for Soldier Settlement.

'Srd'
H.E.H.

The Department of the Interior has retained the control and administration of any lands placed at the disposal of the Board which have not been taken up by soldiers but it has been decided that the Board has a right to retain control of the lands withdrawn from the two leases mentioned, in view of the fact that they had to buy out the lessees.

Attached herewith is a copy of an Order-in-Council dated the 11th instant transferring to the Board certain lands described in a schedule attached to the Order-in-Council.

The principal files are sent you herewith for whatever action that may be necessary, in view to transferring title or issuing patent in favour of the Soldier Settlement Board. The files relating to the individual quarter sections concerned will be sent you separately.

Sir,- Re Undelivered Military Bounty Land Warrant
No. 0840, Corpl. Wm. Sinclair.

I beg to acknowledge receipt of your
No. 3455424 of 29th November, ultimo, in this matter, and
the correspondence which accompanied it, and have to
say that I have carefully considered the evidence
contained in the File and find:

1. That a man named "William Sinclair" did
serve in the Quebec Battalion of Rifles, Red River
Expedition, in 1870;
2. That the claimant is named "William Sinclair"
as certified by Lt.-Col. O. E. A. Patterson, and by the
claimant's Solicitor, Mr. Leslie H. Boyd;
3. That according to the certificate of said
Lt.-Col. Patterson the claimant actually served in the
said 2nd Quebec Battalion;
4. That the claimant was granted the General
Service Medal, with Clasp, for that Expedition.

In view of those facts, I have to say that, in
my opinion, the claimant has produced evidence suffi-
cient to prove that he is the "William Sinclair" who
served in the Red River Expedition, and in whose favour
Land Warrant No. 0840 was issued.

File returned herewith.

We have your letter of explanation Sept. 4th, and beg to enclose herewith above scrip issued to Wm. Sinclair, together with assignment from William Sinclair to John Brown; from John Brown to McNamara Ltd., and from McNamara Ltd. to Edmund Thompson. We would ask that you kindly have these instruments placed on file in your Department, and trust you will be able to bring registration up to date in the name of Edmund Thompson, as he expects to make use of same in the near future provided assignments are all in order. We note that this warrant cannot be located upon Dominion Lands in B.C., nor upon lands reserved for soldiers settlement.

Trusting that you will find all the documents in order, and that scrip will be returned to us in due course.

Yours truly,

Sir,- Red River Scrip No.0840.

Replying to your letter of the 15th ultimo, having reference to yours of the 16th July last, which was unfortunately overlooked, enclosing for registration an assignment in duplicate from MacNamara, Ltd. to Edmund Thompson respecting Military Bounty Land Warrant No.0840 issued to William Sinclair, I beg to inform you that assignments of such warrants cannot be registered here unless they are accompanied by the warrants affected.

In any event the assignment in question from MacNamara, Ltd. to Edmund Thompson and which is returned herewith could not be registered as according to the records here the warrant still stands in the name of the original volunteer, William Sinclair, and not in the name of MacNamara, Ltd..

The assignments from Sinclair to Brown and from the latter to MacNamara, Ltd., which were forwarded to the Department for inspection were returned, unregistered to Mr. M.J. MacNamara, President of MacNamara, Ltd., at Edmonton on the 22nd November last.

If, therefore, the warrant with the assignments from Sinclair to Brown, from Brown to MacNamara, Ltd., and from the latter to Edmund Thompson are again forwarded to the Department the question of registering the assignments and endorsing the warrant in accordance therewith will receive attention.

(Encl)

I may add, for your information, that Military Bounty Land Warrants cannot be located upon Dominion Lands in the Province of British Columbia, nor can they be located upon land reserved for Soldier Settlement.

If, however, the holder of such a warrant should specify the particular parcel of land upon which it is desired to locate the warrant the Department will be prepared to consider the application provided the land is not wanted by any soldier.

In further reference to your letter of the 25th ultimo, enclosing Military Bounty Land Warrant No. 0840, issued to William Sinclair and assignments thereof from William Sinclair to John Brown, from John Brown to McNamara Limited, and from the latter to Edmund Thompson, I beg to inform you that the assignments referred to have been registered here and the warrant with certificates of such registration endorsed thereon, is returned to you herewith.

2 Incls.

The duplicate of the assignment from McNamara Limited to Edmund Thompson is also returned.

Kindly acknowledge the receipt of the documents mentioned.

This warrant may now be located by Mr. Thompson or his assignee after the assignment has been registered here, upon a quarter-section containing 160 acres of available Dominion Lands open to ordinary homestead entry in the Province of Manitoba, Alberta or Saskatchewan, and the patent for such land will be issued without the performance of any settlement duties as to residence on or cultivation of the land so selected and entered for.

If it is desired to assign the warrant, the assignment together with the warrant must be forwarded to this Department where, if satisfactory, the assignment will be registered and the warrant with certificate of such registration endorsed thereon will be returned and may then be located, as above set forth. Such entry, however, must be located *made* personally at the office of the Agent of Dominion Lands for the District in which the land selected is situated as sub-agents are not authorized to grant such entries.

As you have already been advised Military Bounty Land Warrants cannot be located upon Dominion Lands in the Province of British Columbia, nor can they be located upon lands reserved for soldier settlement.

Military Bounty Land Warrant #0840
(of 1870) located on 33 $\frac{1}{2}$ 3-74-4-W.C.H.
by Edward Thompson.

The Agent at Grande Prairie was certainly in error in collecting \$160.00 on the location of this Land Warrant.

As you are aware this class of warrants was at one time accepted by the Department at their face value of \$160.00 in payment for Dominion Lands, but this practice was discontinued in 1902, and since then these warrants may be located upon a quarter section of 160 acres by the original grantees or by their assignees after the assignments have been registered here and the warrants endorsed in accordance therewith.

In May 1910 the circular, a copy of which is attached, was sent to each Agent in Manitoba, Saskatchewan, Alberta and the Yukon Territory. This circular indicated the manner in which these warrants were to be dealt with.

This land is now in the name of Edward Thompson, but patent is stayed pending payment by him of \$18.00, value of improvements on the land when he located the warrant.

The \$160.00 collected in error by the Agent should be refunded to Mr. Thompson, and when he pays the \$18.00 for the improvements the patent will be issued.

The cancelled warrant in question No. 0840 received with your memorandum of the 7th instant is returned herewith.

Ref. 93263

Sir:-

Adverting to your application to purchase the fractional N.W. $\frac{1}{4}$ of Section 27, Township 34, Range 15, West of the 4th Meridian, lying North and East of the lake, I beg to advise you that it has been decided to permit you to purchase the area containing 26.7 acres at the rate of \$5.00 per acre.

The sale will be subject to your filing with the Department the agreement for sale under which you acquired the N.W. $\frac{1}{4}$ of Section 26. Patent for the fractional area will not issue until you have become the actual registered owner of the patented portion of the N.W. $\frac{1}{4}$ of Section 26.

Either the whole of the purchase money should be forwarded to the Agent of Dominion Lands, Calgary, to whom a copy of this letter is being sent for his information, on or before the 15th October next, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. Overdue instalments will be subject to interest at the rate of 7% per annum.

Should a further survey be made of the parcel in question before the issue of patent the area which may be shown on the new edition of the township plan will constitute the basis of the sale.

I may add that the sale in this case will be subject to the right of the Province to take for road purposes without compensation prior to the issue of patent such land as may be required not to exceed two and one-half per cent. of the total area, and likewise subject to the right of the Province to take such area as may be required for right-of-way in connection with drainage projects not to exceed one per cent. of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

Sir,

With further reference to your letter of the 6th October, 1929, and to departmental letter in reply thereto, dated the 20th December, 1929, respecting the permission granted you to purchase the fractional North East quarter of Section 27, Township 34, Range 15, West of the 4th Meridian, it is thought that possibly the Departmental letter referred to may have been misleading in the statement that should you dispose of your purchased land, the North West quarter of Section 26, Township 34, Range 15, West of the 4th Meridian, any money paid on account of your purchase of the fractional North East quarter of Section 27 would be forfeited. The said letter might have added that in the event of your disposing of the North West quarter of Section 26, the Department might accept a transfer of your rights and interest in the fractional North East quarter of Section 27, to the purchaser of the North West quarter of Section 26, the purchaser to receive credit for any payments that you may have made on the fractional area.

As however, no payment appears to have been made on account of your purchase of the fractional North East quarter of Section 27, it is now proposed to withdraw the permission granted, but before doing so the Department would be glad to be advised of your intentions in the matter and should a substantial payment not be made within thirty days from this date, the privilege of purchase will be withdrawn without further notice.

in ans. to your letter of the 18th inst. please to see
that you will consider a reasonable offer of purchase for this
piece of land. I cannot understand how the Inspector assessed such
a high value than on this location, as the land is of poor soil
and is only fit for pasture.

I will put in the following offer for this location which is
the full value of the land of this land is taken into considera-
tion, as on the four year term mentioned, let to have the privi-

Sir,

In reply to your letter of the 26th ultimo, in which you make an offer of \$75.00 for the fractional North East quarter of Section 27, Township 34, Range 15, West of the 4th Meridian, lying North and East of the lake, containing an area of 26.7 acres, which you were granted permission to purchase at the rate of \$5.00 per acre, I beg to say that the Inspector values this land at \$5.00 per acre and a lesser amount than this cannot be accepted. Mr. Hume.

S. E. 9-78-6-W6.
Homestead of James E. MacLaren.
Entry granted July 12th 1916.
Patent applied for March 25th 1920.
Recommended.

The duties claimed by Mr. MacLaren in his application for patent are set out on form 58 A. immediately hereunder.

In the case of ordinary homestead entries, where a homesteader resides in the vicinity, the regulations call for the breaking of fifty acres and the cropping of twenty.

Homestead Inspector Newton, in his report of January 30th last valued the twenty acres then broken at \$120.00, and in his general remarks stated;

"The amount broken (20 acres) is equal"
"to not less than 30 acres of prairie"
"breaking."

Since the date of the inspector's report Mr. MacLaren has broken ten acres, bringing the total area of breaking up to thirty acres. However, as thirty acres of breaking is not, according to the report, equivalent to fifty acres I am submitting this case and would suggest that same be accepted as satisfactory, in view of the fact that his residence duties have been performed on the adjoining Fractional quarter-section, which is under sale to Mr. MacLaren subject to the completion of his homestead duties.

I would also draw your attention to the number of stock, of which Mr. MacLaren is the owner, and the valuable improvements effected by him on the land.

Ottawa, 5th May, 1922.

MEMORANDUM:

H. O. Coté, Esq., I. C. O.,
Controller.

Conflicting applications of Michael Lazowski, and Mrs. Rosa Rosa, to purchase that portion of the N. E. 1/4 of Section 21, Township 58, Range 19, East of the 4th Meridian, lying East of the Saskatchewan River. Containing 19.4 acres. Shown on the sketch herewith colored pink.

I beg to submit for your consideration the applications above referred to. The land is available according to the departmental records, and Mr. Lazowski, in December, 1920, obtained patent for his homestead, the fractional S. E. 1/4 of the same section, while Mrs. Rosa as personal representative of the late Michael Rosa, in August, 1919, obtained homestead patent for the fractional N. E. 1/4 of Section 21 adjoining, shown on the sketch outlined in Yellow and Green respectively. Mrs. Rosa also obtained patent in April, 1921, for the fractional N. E. 1/4 of said Section 21, shown on the sketch outlined in pink, comprising 39.25 acres, at the rate of \$10.00 an acre, which was disposed of to her in connection with her homestead.

Mrs. Rosa represents that the reason she desires to purchase the parcel in question is because a hill which is located near the banks of the river obstructs the roadway and makes exit from her property impossible except over the said parcel, and for this reason she is willing to pay at the rate of \$10.00 an acre. She was informed, however, that if such were the case, the matter should be referred to the Deputy Minister of Public Works, Edmonton, as all questions relating to public road allowances come under the jurisdiction of the provincial authorities; also that the acquisition of this parcel would give her control of too great an extent of water frontage.

The...

The Homestead Inspector in his report hereunder, states:

"Re those two applications for this fraction, they both have river frontage. The land is separated from that of Mrs. Rosa by road allowance but the bank is so steep that it would be impossible to use road allowance.

"As there is a winding trail through the fraction, Mrs. Rosa whose land is mostly all in the river flat wanted this land to get roadway out. Mr. Lazowski wants the land for pasture owing to conditions, I would consider the fair way would be to give to each the legal subdivisions adjoining their lands, or rather the road allowance in Mrs. Rosa's case. This would give Mrs. Rosa a roadway out to where the road allowance could be made passable. The land is of poor quality and mostly all covered with scrub. I would consider that three \$5.00 per acre would be fair price for the land."

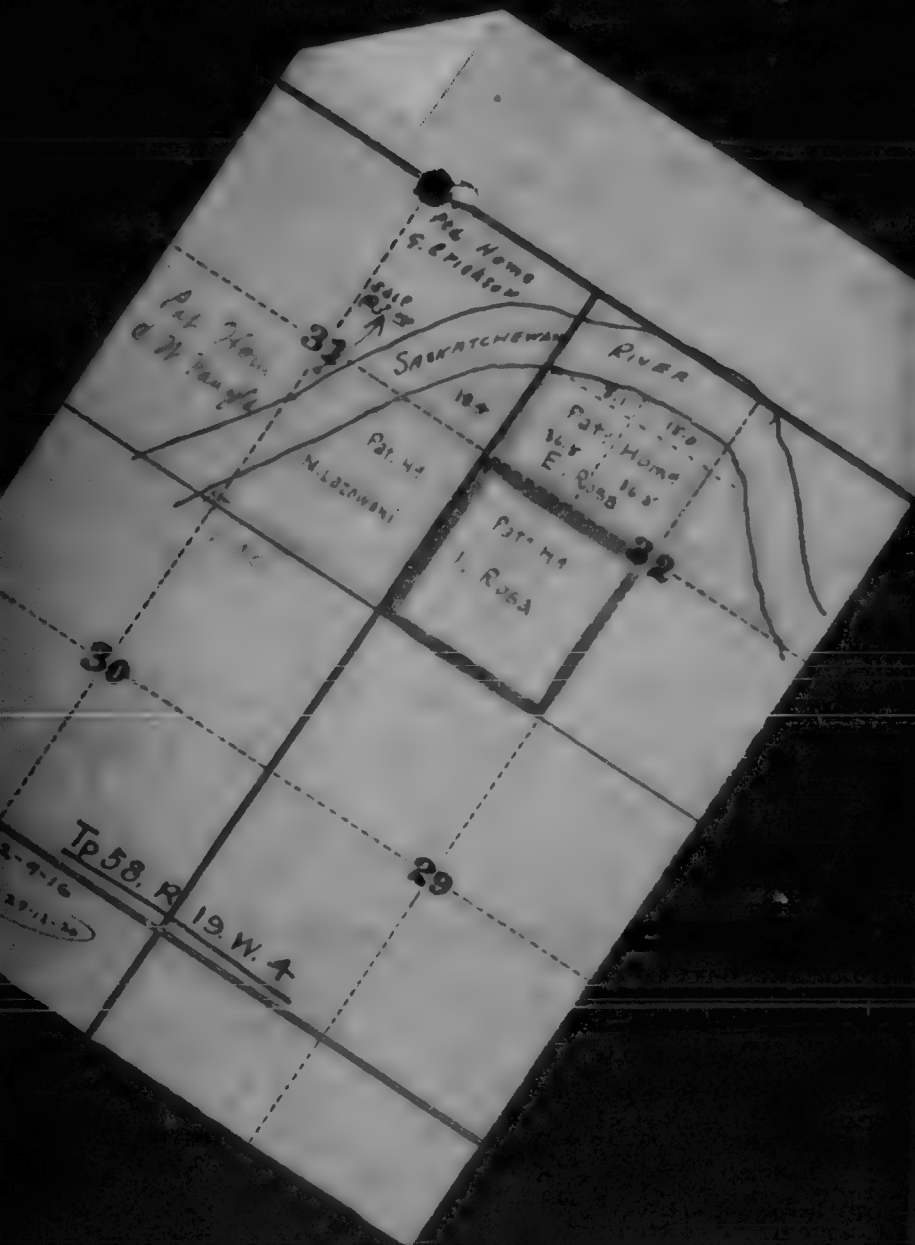

If a sale is authorized it will require to be subject to the applicant filing evidence of ownership of his homestead.

J. M. Caldwell
H.

Sale recommended to Mr. Lazowski at minimum rate of \$5.00 an acre. If ordinary road allowance cannot be used at this point application, as Mrs. Rosa has already been told, should be made to the Provincial authorities for the survey of a passable roadway; this is the usual practice followed in all such cases.

It will be observed that the fractional N.E. $\frac{1}{4}$ 32-58-19, W. 4th M. has already been disposed of to Mrs. Rosa in connection with the fractional N.W. $\frac{1}{4}$ 32, and it would be contrary to the practice of the Department to sell any additional land in connection with the latter quarter section.

Sir,

COMMISSIONER

Memorandum:

The case of Frank A. Peeney, Jr., has been before the Department frequently and the facts are fully set out in my report of the 2nd December, 1922, addressed to the Deputy Minister (marked).

On the 25th December, 1922, the Deputy Minister gave instructions that in the event of cancellation of the entry of Mr. Peeney the land should not be disposed of without reference to his office - memo. marked.

The question now before the Department is whether patent for the Homestead should be issued notwithstanding that Mr. Peeney has not furnished a Certificate of Naturalization as a British subject, although there is evidence of his naturalization, see letter from the Under-Secretary of State dated the 4th May, 1924 (marked).

Mr. Peeney has made application for patent and the facts have been verified by the Homestead Inspector.

This Homesteader was divorced by his wife in 1903 and he was ordered by the Supreme Court of Alberta to pay alimony, and an allowance for the three children of the marriage, in regard to which he is reported to be in default by Messrs. Short, Cross, Wilson & Aird, Solicitors for Mrs. May Peeney.

Mrs. Peeney, through her solicitors, has applied for issue of patent expedited by letter that they are three actions under Provincial Statute to enforce their claim against the Homesteader. However the latter have been completed, and we have official evidence of the fact that the Homesteader is the owner of the land because of Mr. Peeney's failure to furnish his Certificate of Naturalization, particularly as it is implied in the correspondence that he is officially recognized as being so solely in order to prevent the issue of patent.

Under the circumstances, the latter is submitted with a recommendation that issue of patent be expedited with the name of the applicant with notice to all parties concerned.

Re Indian Reserves Nos. 174, 174A
and 174B.

The Department of Indian Affairs has applied for the setting apart for the Indians, of certain reserves known as numbers 174, 174A and 174B, by Order in Council, under the terms of Treaty No. 8.

Reserve No. 174 is composed of fractional East half of Section 13 and the fractional South-east quarter of Section 24 East of the river, in township 94, Range 11 West of the 4th Meridian and comprising an area of Two hundred and fifty seven acres and is on the opposite side of the Athabaska river from McKay Settlement, as shown in red on the map attached.

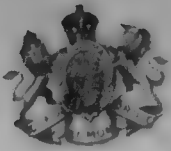

These lands are available for the purposes aforesaid, according to the records of this Department and I would recommend that they be set apart by Order in Council for the Indians.

Reserves No. 174A and 174B are some thirty-five miles North-west of McKay Settlement and comprise respectively Five thousand, four hundred and ninety-three acres and Seven thousand, seven hundred and fifteen acres; they are situated in townships which have not yet been subdivided and the Surveyor General suggests that it would be better to wait until the subdivision surveys are made before setting these lands apart for the Indians. I would recommend that they be reserved for that purpose, they also are indicated in red on the map attached.

Respectfully submitted,

Sir,

With reference to your letter of the 6th instant No. 3430376, I beg to state it is quite possible that the declarations relating to certain lots in the McKay Settlement, made before your surveyor in the Fall of 1911, were made by the proposed squatters without any regard to the prior claim of the Indians. I have therefore to request that no action be taken to confirm or acknowledge the claim of these men until the claims of the Indians have been fully investigated.

Our surveyor has left that locality but he is expected to return to the Department this Fall. He will probably be able to give the facts of this case, of which you will be duly advised.

Reserve No. 174 B, however, appears to be bounded on the south by a surveyed base line, the north boundary of township 96, range 17, west 4th meridian, and I presume it might therefore be transferred, basing the description on that line. The Reserve 174 A, however, does not appear to be tied in to the Dominion Land System of Survey. The Deputy Minister

MEMORANDUM.

N. C. Côté, Esq., I.S.C.,
Controller.

Re Namur Lake Indian Reserve No. 174R
in Tps. 97 and 98, Rges. 16 and 17,
West 4th M., Alberta. Area 7715 acres.

On the 6th June, 1924, the Department of Indian Affairs forwarded here a blue print copy of the plan of Namur Lake Indian Reserve No. 174R with a request that this reserve among certain others be confirmed by Order in Council.

In this connection the Surveyor General reported on the 19th December, 1915, that it is preferable not to deal with these reserves until the townships in which they lie are subdivided. This matter was submitted to the Deputy Minister on the 22nd December, 1915, pointing out the opinion of the Surveyor General in regard thereto and recommending that they be reserved for the Indians. This action was approved by the Deputy Minister.

On the 20th January last the Department of Indian Affairs again inquired whether Indian Reserves Nos. 174A and 174R may be confirmed at an early date and was advised on the 25th February last that these reserves are still within unsurveyed territory.

On the 27th February last the Director of Topographical Surveys was advised that it is desired, if possible, to transfer these reserves to the control of the Department of Indian Affairs and requested to report that as Indian Reserve No. 174R appeared to be bounded on the south by a surveyed base line, - the north boundary of township 96, range 17, west 4th meridian, whether this reserve might be confirmed.

On the 7th March last a reply was received that Indian Reserve No. 174R is directly connected with a base line of the Dominion Lands System of Survey and may be transferred to the Department of Indian Affairs. That Department requested on the 26th March last that Indian Reserve 174R be confirmed.

Namur Lake Indian Reserve No. 174R lies to the east of Namur Lake and River in townships 97 and 98, ranges 16 and 17, west 4th meridian, included in Treaty No. 8 and contains 7715 acres. It was surveyed by Donald Robertson, D.L.S., in 1915.

A blue print copy of the plan of this reserve is in the envelope on file beneath and a smaller sketch marked on file beneath shows its location in relation to surrounding lands.

The lands applied for in Indian Reserve 174P are available for transfer to the control of the Department of Indian Affairs.

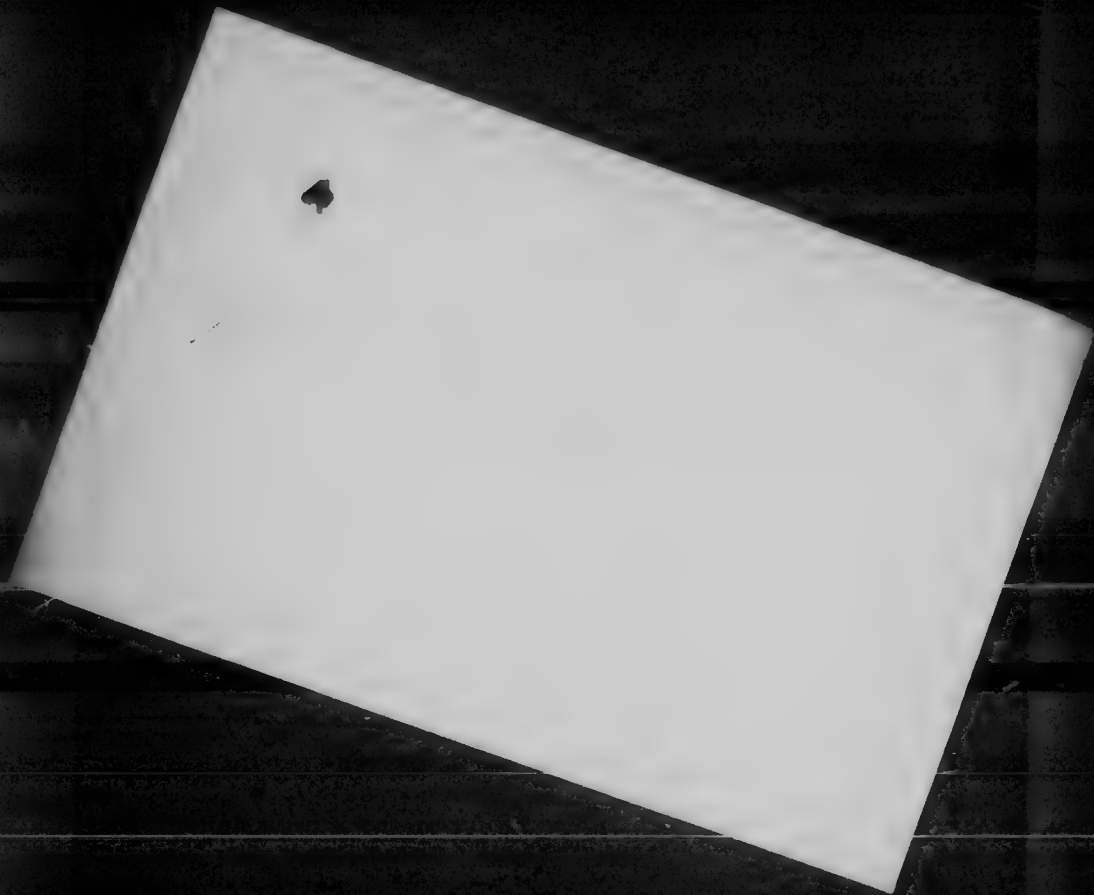

I presume that steps may now be taken to have Namur Lake Indian Reserve No. 174P withdrawn from the operation of the Dominion Lands Act and set apart for the Indians.

J. H. Taylor.

The Deputy Minister,

Recommend the said
Namur Lake Indian Reserve No. 174P in Tps.
17 and 18, Ranges 16 and 17, West 4th M.,
Alberta, containing 7715 acres be withdrawn
from the operation of the Dominion Lands
Act and set apart for the Indians by Order
in Council.

Dear Sir:

I have for acknowledgment your letter of the 25th of May, file 5341, requesting further information with reference to John Rysley Finlan.

I am afraid there is very little to be added to my previous communication of the 2nd of May. However, Letters Patent to the N.W. 20-73-11 W. 6th Mer. were granted to Mr. Finlan on the 7th of February, 1922 and his address at that time was Hythe, Alta.

As previously stated, he gave his age on the 21st of July 1921 as 26 years and our records disclose that he was a British subject by birth, having been born in Bristol, England.

Yours very truly,

MEMORANDUM:

Mr. Hume.-

Re L.W. 1-14-7, "4th M.
Homestead - J. E. Warren.
Entry granted 21st May, 1916.

This soldier enlisted on the 24th December, 1914, with the 14th Battalion, C.E.F., and was discharged (medically unfit) on the 7th of November, 1916.

A report has been received from the Chief of Pension Board, Ottawa, to the effect that Mr. Warren was permanently disabled - C.E.F. of chest - while on active service. Full disability pension recommended of former pension being 10%, and as such renders him unfit to perform the heavier forms of farm work. Mr. Warren was granted a pension of 10% on 21st May, 1916, and was entitled to a grant for military service and other allowances. Circumstances will have been considered in regard to usual settlement rules as to residence and improvements. However, in view of the disability as reported by the Pension Board, I am recommending the issue of grant under Section 12, Act of 1916, provided he has not benefited in any way under the Soldier Settlement Act. In regard to other matters, I have omitted from the report for brevity.

Sir,

Re. Fred Beringer,
No. 9-15-1-W. 4th-Mer.

On the 30th ultimo, you remitted to the Agent of Dominion Lands at Lethbridge the sum of \$552.20 in payment of certain liens given by Fred Beringer, and the land above described. The only indebtedness of which I have record is a lien for \$28.70 bearing interest at 7% from the 15th of November 1919, and a lien for \$110.00 bearing interest at 7% from the 31st March 1920. You will, therefore, note that the account would appear to be overpaid to the amount of \$487.65. Before refunding the overpayment I would request you to advise me if it was your intention to pay any indebtedness other than the liens of \$110.00 and \$28.70 incurred by Beringer. Kindly let me have an immediate reply.

Your obedient servant,

1. *Introduction*

3. When planning a trip, it is important to know where you are going and what to expect. This is especially true when you are going to a new place.

- It is a common mistake to think that the only way to avoid the problems of the first two approaches is to adopt a third approach, namely, to assume that the world is a single, unified entity. This is not the case. The world is a complex, multi-layered entity, and the only way to avoid the problems of the first two approaches is to adopt a third approach, namely, to assume that the world is a single, unified entity.

- $\frac{\partial}{\partial t} \left(\frac{1}{\rho} \frac{\partial \rho}{\partial t} \right) = \frac{1}{\rho} \frac{\partial^2 \rho}{\partial t^2} - \frac{1}{\rho^2} \left(\frac{\partial \rho}{\partial t} \right)^2$

- How much? asking how far it depends upon your position in the year of the business entry, and how long you have your citizenship in the year!

- If you hold a passport state also what breeding and crossing has been done.

- What stock of oil, if you are co-owner, have you in hand, and how much oil each year since date of perfecting entry?

- (a) Has such stock been kept on hand for grazing in summer or fall? (If so, what?)

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

- 2) The mother has things being presented on your homestead. A good thing is that the group made the east and west as the main source of the water.

- What extent of fencing have you made on your home-land
and what is the present cash value thereof?

10. The above information and estimates of the estimated duration of a full course of treatment for the various stages of cancer, and whether the patient is more suitable for conventional or more advanced treatment.

- Have you ever obtained; call for a homestead on Dominion

This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950, and the majority of this increase has been in urban areas. This has led to a concentration of population in a few large cities, which has in turn led to a number of problems, such as overcrowding, pollution, and traffic congestion.

Dear Sir:

Re: Lot 11 in 72-5-W.6th

We have received a letter from V.A. Wood, Director of Lands, Department of Lands and Forests, Edmonton, Alberta, asking if we would advise you directly as to the standing of the Dominion seed grain lien for \$16.80 which is still registered against the Title to the above land. This account was for seed grain obtained in 1917 and was paid in full on the 28th of July, 1928.

On the 15th of September, 1928 a letter was sent to you at Spirit River, Alberta, enclosing a Discharge of Mortgage No. 2729 and requesting that you present this Discharge together with the duplicate Certificate of Title to the Registrar at Edmonton for amendment. Apparently you did not do this and that is the reason why the lien is still registered against this land. If you are unable to locate this document a Certified true Copy of the same may be obtained upon your written request accompanied by the usual fee of \$2.00.

Yours very truly,

Sir,

Homestead - Roy John Robideau.
S.S.B. file - 4-3944.

Referring to the memorandum addressed to you on the 13th June last with regard to the above land, I am to advise you that it has been found that a patent for the above land was issued on the 13th January, 1923. The patent was issued before the Department received your notice to the effect that the entrant had applied for a loan but in view of this notice, patent was not forwarded to the Registrar. It is pointed out, however, that as patent has issued, action cannot be taken on the Vesting Order for which you applied.

In view of the above circumstances, it has been suggested that possibly you might have Mr. Robideau execute a transfer of his interest in this land in favour of the Board, same being filed here with an Abstract of Title and sent to the Registrar attached to the patent, after which you could take steps to procure a Certificate of Title in favour of the Board.

Will you please state whether such an arrangement would be satisfactory to you in this case.

This would not be possible if Great Britain, upon
the railway, as they are already required to file
plans of their rights of way in this country, and it
would be a great deal more difficult to do so. Also
having a plan filed in the manner above suggested
would greatly simplify the determination of

Copy for Mr. J. B. Fairweather, K.C., 7th November, 1930.
Counsel,
Canadian National Railways,
Montreal, Que.

Sir,

I have your letter of the 23rd September last, Reference 1-61 Gen'l., enclosing three Licenses of Occupation covering sites for railway bridges over rivers in the Provinces of Manitoba and Alberta, with the request that these documents be amended by striking out all reference therein to rentals.

As it was not found possible to deal with this request before the control of the natural resources passed to the Provinces, we are herewith returning the documents which accompanied your letter, namely, Licenses of Occupation numbered 1130, 1173 (copy), and 1146 (certified copy).

It will be understood, of course, that any further correspondence on this subject should be addressed to the authorities of the respective Provinces concerned.

You state that so far as you can find you did not receive the original of the License dated the 20th March, 1919, in favour of The Canadian Northern Railway Company (No. 1173). In this regard I may say that this License was forwarded to Messrs. Clark and

G. E. Hair, Esq.,
Regional Counsel,
Canadian National Railways,
Winnipeg, Manitoba.
